

AG Associates believes in the power of collaboration and collective action. By fostering a sense of unity within the profession, the firm encourages professionals to work together towards a common goal: making a difference in the lives of those they serve. Through shared knowledge, mutual support, and a commitment to excellence, AG Associates envisions a future where funeral services set new standards of quality and compassion.

In conclusion, AG Associates stands as a testament to the transformative potential of education, leadership, and collaboration within the funeral profession. By embracing humility, continuous learning, and innovation, professionals can elevate their practices and ensure that every interaction is marked by dignity, respect, and compassion. Together, let us strive to make a difference and uphold the sacred trust placed in us by those who seek solace in our care.

Color Outside the Lines

Elevating Funeral
Service **Excellence**
through **Education** and
Leadership

In the solemn realm of funeral services, where compassion meets professionalism, AG Associates stands out as a beacon of excellence. As a premier consulting firm, AG Associates offers a comprehensive suite of services tailored to the evolving needs of funeral establishments. From continuing education to customer service consulting, leadership training, speaker services, and on-location training, AG Associates prides itself on leveraging the wealth of experience within the profession to elevate standards and foster success.

At the core of AG Associates' philosophy lies a profound sense of humility and service. The firm believes that serving others is not just a duty but a privilege and an honor. With a servant's heart, coupled with leadership skills and a commitment to fostering a positive culture, AG Associates exemplifies the values that underpin exceptional customer service, ethical conduct, and strong work ethics.

COMPANY SERVICES

CONTINUING EDUCATION

We offer a full catalog of comprehensive training courses aimed to provide required CE hours, insight and development into your business.

BUSINESS CONSULTATION

We offer comprehensive on-location consultation and training covering the full scope of funeral service.

ARRANGEMENT TRAINING

From the first phone call to the final disposition we cover all facets of making you and your team the best you can be.

AG Associates understands that success in the funeral profession is not merely about innate traits but about continuous learning and development. Through its various services, the firm aims to empower funeral directors and establishments with the knowledge and skills necessary to excel in their roles. By harnessing the wisdom gained from personal experiences and observed successes, AG Associates equips professionals with the tools to make informed decisions and navigate the complexities of the industry with confidence.

In a rapidly evolving society, funeral services must adapt to meet the changing needs and preferences of clients. AG Associates advocates for a forward-thinking approach, urging professionals to **"color outside the lines"** and embrace innovation. By staying abreast of emerging trends and best practices, funeral establishments can not only meet but exceed the expectations of their clientele.
